

PinballNEXT

Alumni Program

Pinball**NEXT** is more than an alumni program – it's a lifelong community.

As graduates step into their careers, **NEXT** ensures they remain connected to the Foundation's mission while expanding their networks, gaining leadership experience, and building relationships that continue to shape their professional and personal journeys.

Pinball**NEXT** takes alumni to the next level of engagement by providing intentional opportunities that keep them growing, connected, and giving back.

Through **Corporate Connects**, **Monthly Mixers**, and the **You(th) Lead Conference**, graduates stay engaged, supported, and inspired as they move from education into lasting careers.

Guided by the Alumni Relations Manager, Pinball**NEXT** provides events, mentorship, and communications that help graduates thrive in their professions while staying rooted in community and purpose.

PROGRAM INCLUDES:
